

## **“Diabetes Education: Problems and Solutions” Competition**

(ADECON 2022)

Dr. Chandalia’s HDDT aims to enhance the quality of diabetes education in India by creating a world-class research and education environment and to build up a platform of networking and knowledge sharing within diabetologists and/or diabetes educators.

Challenges in diabetes education-2022 places special emphasis on supporting educational initiatives that have the potential to improve and significantly revolutionize diabetes care, enhance self-management and/or support patients with Type 1 or Type 2 Diabetes Mellitus. The educator should describe an individual or group case-history and identify the problem faced in diabetes education. Furthermore, s/he should describe the plan of education to resolve the issue, partly or totally. The issue described may be related to patient perceptions, knowledge, behaviors and implementation of advice given. S/He should describe her struggle in resolving the issue including her triumphs and failures, the methodologies used and ethical, socio-economic and behavioral aspects of the case.

General Rules and Regulations regarding the eligibility criteria for the Award:

- The applicant should be a citizen of India and member of the Association of Diabetes Educators.
- The case discussion should be on the subject of Diabetes Education. The two best papers will be selected by a group of referees and will be awarded the “Challenges in Diabetes Education Award- 2022” - which will carry a cash prize of Rs 6000 and Rs. 4000 respectively. The awardee will get the opportunity to present the case in the next Annual meeting of Association of Diabetes Educators and publish it in the journal of Diabetes Education.
